

MEDICARE PART D AND MEDICARE ADVANTAGE

The open enrollment period for Medicare Part D (which helps cover the cost of prescription drugs) will be from October 15 to December 7.

- You can switch from Original Medicare (Parts A and B) to Medicare Advantage or vice versa.
- You also can switch from one Medicare Advantage plan to another or from one Medicare Part D plan to another.
- If you did not enroll in a Medicare Part D plan when you were first eligible, you can do so during the open enrollment period. However, a late enrollment penalty may apply.

NEW THIS YEAR
